

Options & Accessories

Supplemental Details

Supplemental Options and Accessories

Project Name:	
Type:	Notes:
Catalog #:	

Lamp Safety Sleeves

Example: LS32T8C

Model #	Color	Lamp Type
LS15T8C	Clear	F15 T8
LS17T8C	Clear	F17 T8
LS25T8C	Clear	F25 T8
LS32T8C	Clear	F32 T8
LS96T8C	Clear	F96 T8

Note: Change "C" suffix in part number for other colors. (Red = "R", Yellow = "Y", Blue = "B", UV Filtering = "UV")

Twin Canopy

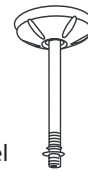

TWCS -Complete with twin canopy and crossbar on 10" centers. For most 4' units. Other stems lengths available. Order stems separately.

Swivel Canopy

SC__ -30 deg. swivel canopy set (Specify stem length).

Example:
SC48 = 48" stems with swivel canopy.

Stems

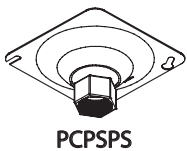

- STEM06** -6"
- STEM12** -12"
- STEM24** -24"
- STEM36** -36"
- STEM48** -48"
- STEM60** -60"
- STEM72** -72"

Consult factory for other sizes.

Swivel Cover Plates

- PCPSPS** -Square Swivel Cover Plate
- PCPSPR** -Round Swivel Cover Plate

Mounts to standard electrical box, fits 3/4" conduit, includes reducer bushing (to 1/2") and set screw (Stems sold separately).

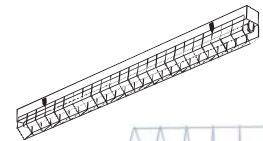

Chain Hangers

CH__ -Two 48" jack chains and two "Y" hooks. For other size, indicate length. (Example: CH36 = 36" chain)

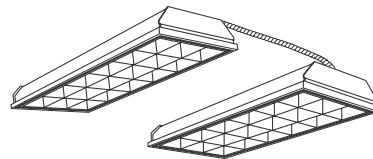

Wire Guards

- WGC** - 4 ft. (for C series) ¹
 - WGIC** - 4 ft. (for C Series with SYMR reflector and IC series) ¹
 - WGTI** - Wire guard for TI Series
 - WGPDX** - Wire guard for PDX Series
- ¹ Note: Two wire guards required for 8' units.

Master Satellite Fixtures

Suffix to Catalog Number:

Suffix	Unit	Intertie Length
MST	-Master	Master Unit Only
SAT	-Satellite	09 -9 ft.
		11 -11 ft.
		__ -Other (specify length)

Example

Master Unit: RT24 G 332 120 - **MST11** -EB
Satellite Unit: RT24 G 332 120 - **SAT-X** -EB ("X" = No ballast)

Job Pack

Suffix to Catalog Number:

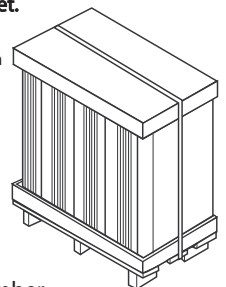

Jobsite-ready, wrapped without cartons on pallet.

- Labor saving packaging.
- Reduced handling (Quick unloading & reduction of trash removal).
- No cartons to dispose.
- Easy storage for later use.

Note:
 - Factory will determine number of fixtures per pallet.
 - Industrial reflectors packaged separately.

Add "JP" suffix to end of fixture catalog number.

Example: RT24 G 432 UNV EB **JP**

Manufacturer reserves the right to make changes to specifications without notice.
